# ALL ABOUT ME BOX

Dear parent(s),

We had a wonderful first day of school today and I am very excited to be sending this homework to you. As we are all getting to know each other, this activity will be the perfect opportunity for your child to share a few things about him/herself. Please help your child choose 5-10 items that represent him/her. The items must fit in a small box and must, in some way, represent your child. You can include small toys, pictures, etc. If you want, you can encourage your child to decorate his/her box too. Soon, we will all get a chance to share our boxes!

I look forward to getting to know your child a little more,
