# Sight Word Game

**Bzzz!**  
A Sight Word Game

When the card is facing down the top of the card is pointing up and the bottom is pointing down. If the student reads a card correctly the student gets to keep the card. If someone picks up a "Bzzz!" card, all the player's cards are returned to the pack. The game never ends with the "Bzzz!" card. So no more "Miss, we're before the end of center time."

Start cards have been included as you can fill them in with the words of your choice!
