We Are All Winners!

This class book is perfect for a collaborative project!

Students each fill in their own page for the book. I usually pick one or two students to decorate the cover page. I then staple the pages together to make a book.

GO TEAM!

Sight Word Game

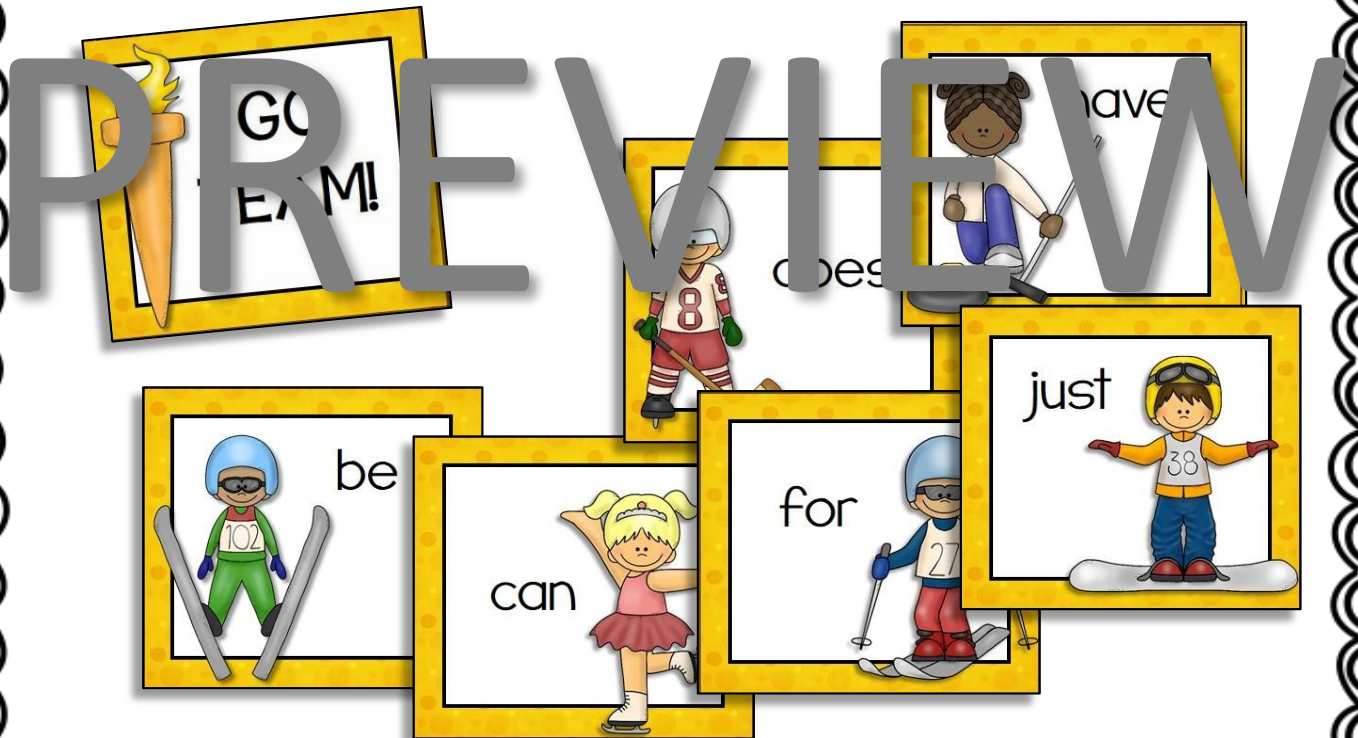

Take turns picking a card out of the bucket.

If you can read the word, you get to keep the card.

If you cannot read the word, your partner can help.

Watch out for the "GO TEAM!" cards!

If you pick that card, you must put all your cards back into the bucket.

Sporty Sentences!

Take the cards with matching pictures.
Put the words in order to make a sentence.

Copy the sentences
on the recording sheet.

Beat The Clock!

Help the athletes get to the podium by matching the analog clocks with the digital clocks.
Fill in this recording sheet when you are finished matching the cards.

The recording sheet contains a grid of analog and digital clocks. The first row shows three analog clocks: the first has red hands pointing to 2:00, the second is blank, and the third is blank. Below each analog clock is a digital clock box with a colon and two empty spaces for digits. The second row shows three blank analog clocks, each with a digital clock box below it. A yellow pencil is positioned over the first digital box in the first row, which contains the number 2:00. A large 'PREVIEW' watermark is overlaid across the bottom half of the page.
