Why? digital TOOTHY

Toothy® task cards are highly engaging activities that allow students to practice skills and answer questions in a fun, motivating way. The digital task cards are self-paced and self-correcting.

Play as a whole class on smart board or individually on student devices.

Want a review activity to use all year?

Teach the rules for Toothy® once, then just switch out topic or skill each week! The variety of skills included also supports differentiation!

1

Looking to engage all students?

Students will be engaged and motivated to do their best work with the animated teeth that are awarded for correct answers.

3

2

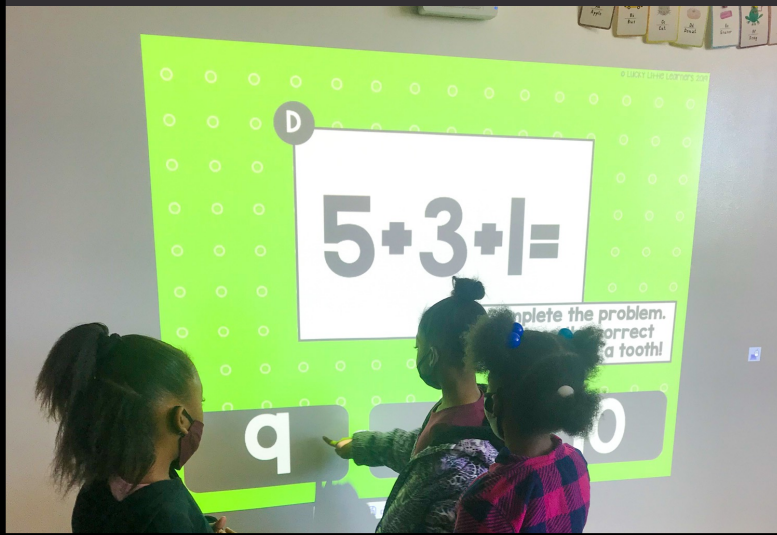

Need activities that work on any device?

No student accounts or log-ins are required. Digital Toothy® games work on any Smart board, laptop, desktop, iPad, or Chromebook!
