

Why?

This DINOSAUR DAY transformation pack includes a variety of themed activities to support a fun day of learning! We've done the thinking for you and included everything you need – from a dinosaur research activity to a volcano craft, and all the teacher support & decoration ideas too!

Need a fun activity to change things up?

Theme days are a fun change from the routine. With this pack, it will be quick and easy to implement with simple prep!

Want motivating skill review activities?

We know you still need to teach all the subjects! All of the activities are tied to standards! Students won't even know they are learning & reviewing!

Looking for a way to keep students interested?

The months can get long! We designed each activity to maximize student engagement, without being rough on your wallet!
