Why?

This bundle of literacy centers will take your students through the entire year. It includes hands-on, engaging centers focused on phonics, phonemic awareness, reading, grammar, and writing skills!

Want to solidify student literacy skills?

With over 100 centers, you can easily find a center focused on exactly the skills your students need.

Need to promote student independence?

The activities are easy for students to understand. Each center includes easy-to-follow visual direction cards and answer keys.

Looking for student accountability?

Each center includes a recording sheet that can also be used as a quick check of learning.

About Lucky Little Learners

Angie Olson has many years of classroom experience teaching grades kindergarten, first, and second grade. She earned her master's degree in mathematics and has presented for a variety of conferences at the national, state, and local levels. Over the years, Angie has employed teachers to help with Lucky Little Learners. She is proud of her talented team who strives to support the teaching community with her. Lucky Little Learners has created over 25,000 resources that are available in the All Access membership. Lucky Little Learners is also a top seller on Teachers Pay Teachers.
