Kid Tested & Admin Approved

Every resource is designed by experienced teachers, standards-aligned and tested.

Sometimes when purchasing products on TPT I am not always 100% sure that they will work well for my class. They might work for my students one year and then the next year I may need something a little simpler or more challenging. All Access is perfect because I can use the resources I know and love. I can try out new stuff and search for skills that I am working on.
