Why?

BACK TO SCHOOL no prep activities

This no-prep back-to-school pack allows you to start the school year on the right foot without added stress! The pack includes everything you need for the first few days of school to practice using supplies, establish class procedures, and get students off to a good start with school.

Want print-and-go activities?

The pages don't require any extra prep on your part. From simple assessments to practice pages... it's all here!

3

Need to know what skills your students have already?

This pack includes simple and quick assessments for letters, numbers, and more.

Wondering how to teach students procedures?

There are different activities included that help students practice procedures with scissors, glue, and more.

PERFECT FOR...
