**Dental Health**  
Write a report explaining everything you

It's smart to go to the dentist twice a year. When you are there, you sit in the chair and they brush your teeth really well. The dentist might take pictures of your teeth and poke them gently. They might floss your teeth too. To keep your teeth healthy, you also need to brush your teeth with a toothbrush twice a day! Use a little bit of toothpaste and ask an adult if you need help.

# Why?

# WRITING PAGES

These no-prep writing pages with engaging prompts allow you to create writing instruction easily! Each writing page comes in multiple formats that allows you to differentiate for student needs. The word bank and checklist promote confident, independent writers.

## Want no-prep writing pages?

The writing pages can be printed out and stapled or bound together for a journal or writing book.

1

2

3

## Students not knowing what to write about?

Student-friendly prompts are printed onto the page so they can just start writing!

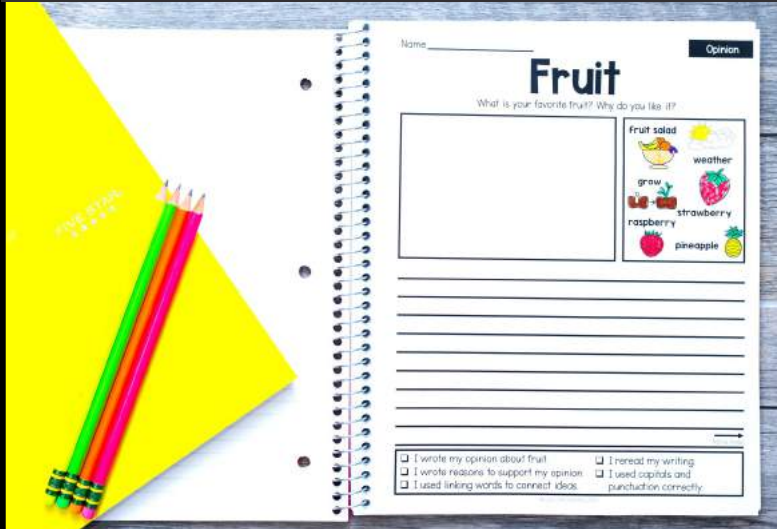

## Want students to be more independent writers?

Each writing prompt includes a planning page, word bank, clipart to spark ideas, and a checklist for revising/editing.

I wrote a topic sentence.  I used punctuation.  
 I wrote facts about spring.  I used capitals.

Name \_\_\_\_\_ **Informational**

## Spring has Sprung

In spring many things grow and come out of hibernation. For many, spring flowers are often the first sign of warm weather. Think about the changes that occur in spring. What animals do you see? What happens to a frozen lake in the springtime? Write a report explaining everything you know about the changes that occur in spring.

## Springtime

It's almost time for spring. Things around you will be changing. Write a report about how things change in spring. What will the weather be like? What happens to the temperature? What kind of precipitation will be falling? What will happen to the plants and trees? Are there any special things that happen in spring? Be sure to include details in your report.

## Simple Machines

There are six different kinds of simple machines. Simple machines make work easier. They have few or no moving parts. They work by changing the direction of a force or the amount of force needed to do something. Write a report that explains simple machines. What are they? How do they work? Give real world examples of the simple machines. Be sure to use facts in your writing.

# OPINION

Name \_\_\_\_\_ **Opinion**

## Pot o' Gold

Imagine that you were playing outside, and you found a leprechaun's pot o' gold. Legend says that you get to keep the gold! What would you buy with all your money? Would you go on a vacation? Would you buy a new house? Would you run to the store and get the brand-new gaming system or tablet? Write about what you would buy if you found a pot of gold. Be sure to include three reasons why you would buy it.

Name \_\_\_\_\_ **Opinion**

## Spring vs. Fall

Each season brings its own unique kind of weather. In winter, most of us have snow and cold temperatures. In summer, it's warm and sunny. Fall means cooler temperatures and autumn colors. In spring, the weather begins to turn warmer, and plants begin to grow. Which weather do you prefer—spring or fall? Write your opinion on whether you like spring or fall better. Be sure to list reasons for your opinion.

OPINION
